#### Remarks

Tucked away in the historic Museum District you will find an impeccable example of mid-century modern architecture. This classic home is perfectly situated on a large corner lot & boasts the clean, sleek lines that were so common during this period. Step inside the front door to beautifully refinished terrazzo floors that extend throughout the home. The thoughtfully designed layout maximizes space and natural light. A full wall of sliding glass doors pockets completely into the wall, creating seamless indoor-outdoor living and opening the main living area to a spacious Florida Room filled with windows overlooking the private backyard. The bedroom wing includes a primary suite, two generously sized guest bedrooms, and two bathrooms that retain their original 1950s and 1960s character. Tons of updates and upgrades. We will provide you with a list.
